Part II:

Attach a letter clearly explaining the following:

1. What accounted for your academic difficulty leading to suspension.*
2. Why you believe you are now better prepared to resume your studies. If applicable, please discuss academic and non-academic activities that you may have participated in while away from WPI.
3. Include supporting documentation that shows evidence to support that you are ready to resume your studies. Examples might include official transcripts of coursework taken elsewhere, letters from employers, or documentation of other efforts you may have undertaken to help CAO make the most informed decision about your petition.

* If you wish the committee to take into consideration medical/psychological factors, you may have your health provider submit the [Petition Support Documentation form](#) (available at www.wpi.edu/+registrar) to the Student Development and Counseling Center. The form will be reviewed by the appropriate WPI professional health care staff, who will make a recommendation to CAO for consideration during the review process. The form itself will be kept confidential; only the recommendation will go to CAO. *If you plan to submit this additional documentation, please check the box below to alert staff to hold your petition. Once the recommendation is received, your petition will be forwarded to CAO. Please do not send any medical documentation directly to the Registrar's Office.*

Yes, I plan to provide the [Petition Support Documentation form](#).
